Another potential opportunity to meet David Hayes -

David Hayes is meeting with John Laird on Tuesday, January 18 in Sacramento. If you had reason to be there that day, we could arrange a meeting.

Also, he will be staying in SF on Monday night, arriving about 5 and would be free for a drink or dinner.

On our ANPR conversations, DOI is ok with the timing of our ANPR, realizing that any negative spin that comes will happen regardless of what's going on with the BDCP and lawsuits.
